An excellent vacant building lot with ocean views and direct walkway to pristine beach directly opposite. The corner position with allow you to amplify the view potential already under pinned in the sensible building covenant which includes side setbacks for all homes. The lot at 1.27 acres is unique in P'Bluff and the extensive frontage will feature with 2 buildings per lot permitted. A clever design will mean this site could extend the rental potential by linking various building areas.....privacy could be assured with the land area ideal for pod style. Compare to the other list prices in the area will confirm my clients intention to be next to sell here.
