Found in the center of the Turks and Caicos Islands archipelago, Middle Caicos is where you will discover limestone cliffs, impressive caves, tall trees, long sandy beaches like Mudjin Harbour and Bambarra Beach, and a laid-back and quiet way of life. Development is very limited here, so you'll be able to truly experience the island's natural beauty. This is an opportunity to own a parcel in paradise with several opportunities for ownership within this new subdivision at various price points. This centrally located subdivision on Wave Crest Way, has breathtaking ocean view lots, offering unparalleled vistas of the shimmering turquoise waters as well as lots further inland with good proximity to sandy beaches providing the perfect canvas for a custom-designed coastal retreat or investment property. Nestled in the quiet community of Platico Point, these generously sized lots present the perfect opportunity to build an estate tailored to your unique vision. With endless possibilities for development, this sought-after location is ideal for those seeking to embrace the serenity of small island living while enjoying convenient access to nearby islands like Providenciales. Don't miss out on this exceptional opportunity to own a piece of paradise near the ocean.
