Steps away from the pristine, powdery, white sand beach and turquoise waters in the quiet beachside community of Whitby Haven, is Eagle's Nest. A bright, airy, spacious 2-bedroom 2-bathroom villa/cottage, Eagle's Nest provides breathtaking views of the azure waters of North Caicos' Whitby Beach. Relax or entertain on the expansive enclosed patio that has large picture windows looking out to the beach, while the villa/cottages' many windows welcome the ocean breeze and invite natural light. Boasting a sizeable, well-maintained garden with indigenous plants that complement the landscape, the owners have ensured that the property has retained its island charm. The highlight of Eagle's Nest, is the spectacular views and its proximity to the beach, just a few minutes' walk down the beach access that runs parallel to the property. The price on this gem has been reduced to allow the future owner capacity to undertake renovations, creating a home that reflects their style and vision. Ideally situated, Eagle's Nest can be your vacation home, vacation rental or full-time residence.
