Under new management and undergoing extensive renovations, Dream Villas Provo has been re-imagined for 2026 as one of Turks & Caicos' most compelling boutique investment properties. Perfectly positioned on the sugar-white sands and turquoise waters of Blue Hills Beach, this collection of six villas combines contemporary Caribbean design with proven rental performance and exciting growth potential. The property features two 3-bedroom villas and four 2-bedroom villas, each offering lock-off flexibility, private plunge pools, brand-name appliances, and fully upgraded interiors designed for comfort and profitability. Current financials (2023-2026 YTD) demonstrate strong occupancy and revenue trends, supported by a dedicated on-site management team focused on guest experience and asset maintenance. Steps from the iconic Da Conch Shack and a short drive to Grace Bay, Dream Villas Provo offers both personal enjoyment and serious income generation. Approved plans for additional one-bedroom suites and a reception/office south of the common pool area provide future development upside. Whether you're seeking a turnkey beachfront investment, a private family compound, or a foundation for a boutique resort concept, Dream Villas Provo delivers an unmatched blend of lifestyle, location, and potential in one of the Caribbean's most sought-after destinations.
