A sanctuary in one of Provo’s most serene and exclusive neighborhoods, Oceanside Tower captures the feeling of living on a private island while remaining close to every convenience. Set behind lush landscaping and a gated entrance, the home flows effortlessly between refined interior comfort and extraordinary oceanfront living. Living in Silly Creek Estates feels like escaping to an outer island—yet with all the conveniences of being on Provo. This quiet, neighborhood is known for its serenity, discreet luxury homes, lush landscaping, and breathtaking oceanfront vistas. Oceanside Tower embodies all of it. This newly enhanced property features a beautifully crafted large oceanfront gazebo that gracefully extends almost over the water, multiple private outdoor seating areas on all sides of the house, and direct access to the sea—dip your toes in the shallows, swim, or kayak straight into the great blue beyond. A welcoming pool sits between the living area and the shoreline, creating a serene indoor-outdoor flow. The home offers four bedrooms, including three primary suites, each with an ensuite bath, private deck, and its own unique vantage point. Primary Suite 1 (main level): A spa-style bath, huge shower with water-fall effect, bamboo accents, and soothing natural light. Primary Suite 2 (lower level): Direct walk-out access to the gazebo and a private patio. Primary Suite 3 (lower level): A larger private patio with secluded views—quiet, peaceful, and ideal for relaxation. Bedroom 4 (lower level): often used as a guest or children’s suite—is European-style, with its large bathroom just across the corridor. It too features its own private patio. The main living level is anchored by a modern kitchen with clean lines and premium appliances, including a wine cooler, icemaker, cooktop, and more. The kitchen sits to the left, while the dining and living areas open directly to sweeping ocean views. From here, you can move south toward the pool and shoreline, the gazebo and outdoor lounge spaces, east to the screened-in dining area or north to a variety of convivial, alfresco gathering spots. With three distinct dining spaces—indoor, outdoor, and screened—Oceanside Tower is designed for effortless entertaining, relaxation, and the enjoyment of Silly Creek Estates’ natural beauty. However, when working-from-home is called for, the tower provides a private office space with 360 bird’s eye views over Chalk Sound and the ocean. Property Footprint: 3,000 SF Interior (4,650 SF Under Roof) + 250 SF Exterior = 4,900 Finished SF
