SASA ORCHIDS proudly offers five prime vacant residential lots in the heart of Providenciales. Beautifully situated just a 6-minute walk from the beach, these lots enjoy scenic views overlooking the Beaches Turks and Caicos Resort, with potential ocean views from a second-floor build. This is an exceptional investment opportunity in Providenciales. The parcels are zoned for multifamily development and allow for the construction of up to two residences, with the option of a guest house on the lower level and a main residence on the upper level—ideal for rental income, multi-generational living, or a luxury island retreat. As Providenciales continues to grow, this area is becoming increasingly desirable, offering strong potential for future growth and property value appreciation. Don’t miss your opportunity to invest in a thriving market in Turks and Caicos. Whether you’re looking to develop a short-term rental property or build your dream home, these parcels offer endless possibilities. Contact us today for more information or to schedule a viewing.
