Discover unparalleled barefoot luxury in this stunning 2nd floor two-bedroom condo at Wymara Resort + Villas, directly on the world-renowned Grace Bay Beach in Turks & Caicos. Unlike typical 2 b-bedroom condos in other developments, this rare gem is the combination of two separate beachfront rental units — a spacious one-bedroom suite and a lockout studio — maximizing revenue potential, delivering some of the island's top condo rental income, and providing owner-usage flexibility. From the spacious but efficient 1,835 sq ft , you'll enjoy breathtaking oceanfront views through floor-to-ceiling windows and sliding doors which flood the space with natural light and turquoise vistas. Both units boast king-size beds, luxurious en-suite spa bathrooms, a fully equipped kitchen in the one-bedroom suite, and chic contemporary furnishings. The lockout configuration allows flexible use: enjoy personal getaways or generate income from high-demand short-term rentals. Indulge in Wymara's 7,000 sq ft infinity-edge pool, state-of-the-art fitness center, full-service spa, and private beach access just moments away. Savor culinary excellence at award-winning Indigo restaurant and beachfront Blue Water Bistro. Additional perks include 24-hour concierge, security, and the innovative Wymara app for seamless reservations and services. The resort frequently earns rave reviews from guest, travel agents and publications. This high-performing condo is a stand out on Grace Bay Beach. Its dual-unit setup and prime beachfront position ensure superior rental yields, making it a smart choice for savvy investors seeking both lifestyle and returns in one of the Caribbean's most prestigious resorts.
