This 1.28 acre vacant of land is located on an elevated ridge down Leeward Drive, a quiet street in Long Bay. Utilities pass directly in front of the lot. Long Bay has multiple public beach access paths and this lot is a short 15min walk away from the location of the island's best kite boarding. The area also has some of the largest residential plots on island allowing for the construction of multiple rental villas. With reasonably priced land becoming very difficult to find on Providenciales, this could be just what you're looking for!
