LIMITED TIME OFFER: 60% FINANCING TO QUALIFIED BUYERS. Set along the tranquil shoreline of Flamingo Lake within the private gated enclave of Kaya, this pre-construction offering presents a rare opportunity to secure a 0.46-acre waterfront parcel with a thoughtfully designed two-bedroom guest house. Designed by HL Architecture, the proposed guest residence reflects a modern Caribbean aesthetic, emphasizing clean lines, indoor-outdoor living, and seamless integration with the natural landscape, while adhering to Turks and Caicos building standards including reinforced concrete construction and hurricane-rated systems. This offering has been intentionally structured to provide a more accessible entry point into a limited waterfront community, allowing buyers to secure the land and complete an initial residence now, while maintaining full flexibility to construct a future main villa at their discretion with no required timeline to build. Owners will enjoy direct access to Flamingo Lake, ideal for paddleboarding, kayaking, and bone fishing, as well as exclusive deeded access to Hidden Beach located just minutes away. As Kaya continues to evolve into one of Providenciales' most design-forward residential enclaves, this phased ownership approach offers both immediate lifestyle potential upon completion of the guest house and long-term upside through future expansion into a full luxury estate. Early purchasers may also benefit from pre-construction incentives and potential stamp duty savings, subject to availability.
