Perched on a dramatic east-facing bluff of Ambergris Cay, this 1.97 acre parcel delivers uninterrupted ocean panoramas and the rhythmic soundtrack of surf below. With roughly 200 linear feet of turquoise shoreline, the site is perfectly suited to cantilevered terraces, sheltered courtyards and elevated living spaces that frame the ever-changing sea and sky. Offering exceptional scale, privacy and rare development potential, the lot invites a custom Caribbean villa designed to maximize indoor-outdoor living. Ambergris Cay provides a private 5,700-ft runway and a suite of luxury services—fine dining, spa, concierge and private chef options—alongside world-class marine recreation. Freehold title is available to international buyers and Turks & Caicos' tax-neutral regime means no property or capital gains tax. Limited development on the island preserves exclusivity and long-term value. Partner with local experts to navigate logistics and bring your bespoke island home to life.
