This newly listed prime commercial unit in The Regent Village is a double unit that is currently setup as one unit and leased as an entertainment bar. Located in the heart of Grace Bays' premiere shopping district and close to several hotels and resorts, this prime position is adjacent to popular restaurants and shops with plenty of foot traffic from the tourism population and destination shopping from many residents. Unit D104.105 offers a multitude of uses and could potentially be divided into two separate units, if so desired. The covered entrance provides an additional shaded, outdoor seating area and the open courtyard frontage with large paver stones, palm trees and street lighting offers a welcoming, casual area. The Regent Village strata is managed, and the exterior maintained by HAB Group, a major developer in the Turks & Caicos Islands.
