Located in one of the oldest residential communities in North Caicos, lies 5 separate vacant lots of land, in the picturesque vicinity of Bottle Creek. Each of these five lots are adjacent to each other, allowing for a potential buyer to purchase all 5 lots either for a residential or commercial development, or for farming/agricultural purposes. The lots can also be sold individually to separate buyers. Together all 5 lots make up 1238 acres of land, with a relatively even topography. Access to the land can be gained from the main road, and the land itself runs the entire length of the east boundary.
