Set in the heart of a vibrant community, is a multipurpose building that houses the TCI Police Station. The location in itself is no ordinary location, it demand attention where it's positioned at the very entrance of Chalksound and overlooks a serene lake with beautiful, crystal-blue water. As a new owner there is so much more that can be done at this site. The potential is endless! The current structure blends a modern architecture with natural elements, featuring glass windows that can reflect the shimmering surface of the lake and invite an abundance of natural light inside. This is more than just a building—it's a place where nature, community, and versatility come together in perfect harmony. You can't go wrong with this as your own!!
