On the southwest side of Providenciales, you'll find Sapodilla Beach. If you love watching the sun set, there's no better place than right here. This vacant plot of land measures 0.36 acres offering plenty of room to build your dream home - directly across from the access path - just 220 ft from this stunning beach. The waters are shallow and calm making it the perfect beach for children, and for added peace of mind, there's an HOA which provides security patrols daily. Chalk Sound is all residential, there's no busy hotels here. The nearby Las Brisas restaurant is an island favorite of many people with a great menu. So if you're looking for a location to build your home away from Grace Bay but still be close to the beach, then this is a property you simply must consider.
