This very well located .61 acre North Caicos beachfront villa site is situated in a protected cove in the exclusive Sand Castle Estates community. The development has established paved roadways, underground utilities and a number of newly built luxury villas, setting the tone for this prestigious enclave in North Caicos. With 100 ft. of gorgeous white sandy beach frontage and stunning turquoise water at your doorstep, it is an ideal property to build a private beachfront villa. Just a short distance to the North Caicos Yacht Club and Parrot Cay across the channel, makes it a great investment opportunity.
