This newly subdivided .75 acre lot provides commanding west facing views of Juba Salina and the Long Bay Canal and, of course, spectacular sunsets! At 66' of elevation, this hillside lot offers 360-degree views and is accessed on newly paved Seasage road a mere 7 minute drive to Grace Bay. South Bank Resort and Marina is only a few minutes down Long Bay road as are a number of beach accesses to Long Bay Beach. Given the sloped topography and size of the lot, there is ample room for several structures without impeding the sweeping views of Juba Salina teeming with bird life including Flamingoes and Herons. This is an exceptional opportunity to develop a multi-tiered home or vacation compound that enjoys the tranquility of Seasage ridge.
