Welcome to Casa Vela, a beautifully appointed contemporary residence in Long Bay where the steady easterly trade winds, turquoise waters, and relaxed rhythm of island life come together. Inspired by the sailing heritage of the Caicos Banks and located just minutes from the world-renowned Long Bay Beach, this fully furnished five-bedroom home captures the spirit of movement, freedom, and effortless Caribbean living. Occupying an exceptional combined landholding of approximately 1.27 acres, Casa Vela encompasses the main residence together with two additional adjoining 0.32-acre parcels, creating one of the area's most compelling opportunities for buyers seeking not only a luxury home but also meaningful future potential. In a market where larger contiguous landholdings are becoming increasingly scarce, the flexibility afforded by this expanded offering significantly enhances both lifestyle appeal and long-term investment value. Thoughtfully designed for island living, the residence centers around an expansive open-plan kitchen, living, and dining area that flows seamlessly onto a generous pool deck and entertaining terrace. The inviting outdoor space is anchored by a substantial swimming pool, creating the ideal setting for gatherings with family and friends beneath the Caribbean sun. The lower level features two guest bedrooms, while the second floor is home to three bedrooms, including a spacious primary suite. From the upper-level owners enjoy views stretching toward the turquoise waters of the Caicos Banks, while the expansive rooftop terrace provides the perfect vantage point to capture the cooling trade winds, spectacular sunrises, and unforgettable evenings beneath the stars. An additional flex room offers exceptional versatility, easily accommodating a home office, fitness studio, media room, or potential fifth bedroom, allowing the home to adapt effortlessly to a variety of lifestyles and family requirements. Beyond the residence itself, the inclusion of the two adjoining parcels transforms Casa Vela into a true legacy property. The additional land presents numerous possibilities for future owners, whether creating a private family compound with separate guest residences, constructing income-producing villas to capitalize on the strong luxury rental market, developing staff or caretaker accommodations, or simply preserving the surrounding privacy and generous open space that is increasingly difficult to secure within Long Bay. Investors may also recognize the long-term value of holding the additional parcels independently as land appreciation continues within one of Providenciales' fastest-growing luxury neighborhoods. Located within one of Providenciales' most desirable residential communities, Casa Vela is moments from Long Bay's pristine shoreline, celebrated for its powder-soft sand, shallow turquoise waters, and world-class kiteboarding.
