A 10.02 acre commercial parcel at the hub of Grace Bay's tourism center. This prime location is situated to the east of the round-about at Sibonne, on the south side of the road. Immediately to the east of the lot itself the Village at Grace Bay is establishing an 81 acre full service retail, commercial, residential and entertainment center. While this ambitious development connects to the parcel in question on its south and east borders, it does include easement rights via the Village Main Street. Obviously this property is seamlessly placed to compliment an already unique and upscale development west of this development lot. With 400 ft frontage on the road parallel to the shore, and an expanse of restricted easement to the west, this is a triumph waiting to happen!!!
