The Reserve in Leeward 4 Bedroom Villa - VILLA 402 – THE RESERVE IN LEEWARD Construction commenced in July 2026 on the newly revised Reserve in Leeward, an exclusive residential community comprising just 31 private villas. Villa 402 offers four bedrooms and four-and-a-half bathrooms, combining contemporary design, comfortable family living and excellent value within the highly desirable Leeward community. Conveniently located off Governor's Road, the development enjoys a central Leeward location within easy reach of Grace Bay Beach, the Leeward Marina and nearby amenities. The Reserve in Leeward features a selection of individually designed two-, three- and four-bedroom villas, with options for a garage. Each villa includes a fully fitted and functional kitchen, completed bathrooms, exterior landscaping and a private swimming pool surrounded by spacious decking and outdoor entertainment areas. A covered barbecue and seating area provides an additional attraction, flowing seamlessly onto the pool deck and creating an ideal setting for relaxed outdoor dining and entertaining with family and friends. Owners may choose to occupy their villa as a full-time residence or appoint an independent on-island property manager to place it within the vacation rental market. The villas will be sold with a homeowners' association in place; however, there will be no mandatory vacation rental program, allowing each owner to select the arrangement that best suits their individual needs. Please note: Stamp duty is payable only on the land value of US$350,000. Further information, including villa plans, architectural drawings and the Sales and Marketing Brochure, is available upon request. The project is being developed by the well-known and respected Kvanar Construction, in association with award-winning, internationally recognized architect Ron Shaw.
