Villa Octopus in Leeward is a gorgeous brand-new, two-bedroom villa with approved plans to expand and build a larger main house on the same 0.33-acre lot. With a spacious guest house already finished, with it's own pool, you could immediately generate short-term rental income and put off further construction until more convenient. The existing home also allows an owner to reside on-site to oversee the build or simply enjoy the islands without delay. Located at the end of a private cul-de-sac, it offers exceptional privacy within Leeward, our most prestigious neighborhood.
