OCEANSIDE TOWER | A PRIVATE OCEANFRONT RETREAT IN EXCLUSIVE SILLY CREEK ESTATES - Discover a side of Providenciales few ever experience. Tucked behind a gated entrance amid lush tropical landscaping in exclusive Silly Creek Estates, Oceanside Tower offers the privacy and serenity of a secluded Caribbean island retreat—while remaining conveniently connected to Provo. This beautifully appointed 4-bedroom, 4.5-bath oceanfront villa is designed for effortless indoor-outdoor island living. Expansive Ipe verandas, multiple private terraces, a swimming pool and a spectacular waterfront gazebo create an extraordinary setting for entertaining, dining, relaxing and enjoying unforgettable sunsets. Here, the ocean isn't merely the view—it becomes part of everyday life. Step directly from the property into the shallows for a swim, launch a kayak into the brilliant blue water, relax beside the pool, or move seamlessly among the villa's many indoor and outdoor living spaces. Inside, the light-filled great room features soaring vaulted ceilings, expansive glass doors and relaxed Caribbean elegance. A beautifully appointed kitchen with premium appliances, wine refrigeration and icemaker complements indoor, outdoor and screened dining areas. Generous bedroom suites offer ensuite baths, beautiful water or garden views, and private decks or patios. Rising above the residence is one of Oceanside Tower's most distinctive features: a private Tower office with unobstructed 360-degree bird's-eye views across the ocean and Chalk Sound—an unforgettable place to work, read, or relax and simply take in the view. Integrated SONOS audio, gated entry, security system and generous laundry facilities complete this exceptionally well-designed island residence. For owners who want their Caribbean home to work for them when they are away, Oceanside Tower also offers luxury vacation-rental potential—an opportunity to generate income while enjoying the flexibility of a spectacular private island residence whenever you choose. Private yet connected. Elegant yet relaxed. Secluded yet minutes from the best of Providenciales. Directly on the water. Oceanside Tower offers something increasingly difficult to find in Turks and Caicos: the feeling of owning your own private Caribbean island—without having to own the island.
