Located in the established residential community of Leeward, this family residence in Leeward Green Court offers plenty of space for everyday living, entertaining, and the added opportunity to generate rental income. Set on approximately 0.23 acres and surrounded by tropical landscaping, the property features a two-storey main residence with 2 bedrooms and 2.5 bathrooms, a separate 1-bedroom guesthouse, and a private swimming pool. The main residence was designed with indoor-outdoor living in mind. Its elevated open-concept kitchen, dining, and living area opens onto a spacious veranda overlooking the pool and gardens. From family dinners to weekend gatherings, there is plenty of room to enjoy time together, both indoors and outdoors. The lower level accommodates two bedrooms and a den, which can easily serve as a family room, children's playroom, or home office depending on your needs. What makes this property particularly appealing is the separate guesthouse. Families have the flexibility of keeping loved ones close while providing them with their own private space, or taking advantage of the opportunity to generate rental income without compromising the privacy of the main residence. Situated just minutes from Grace Bay Beach, the Leeward Canal, restaurants, shopping, and other amenities, the property offers the convenience of a central location while enjoying the quieter surroundings of a residential neighbourhood.
