In a market where many investment properties are sold on projected returns, Honeymoon Villas offers something far more compelling: an established, income-producing luxury vacation rental operation with an impressive track record and an exceptional location within walking distance of world-famous Grace Bay Beach. Situated at 10 June Plum Street, this collection of three contemporary one-bedroom villas occupies a beautifully landscaped 0.39-acre parcel in the heart of Grace Bay, just minutes from the area's celebrated beaches, restaurants, shopping, and entertainment. The two principal villas, each measuring approximately 1,914 square feet, have established an outstanding reputation on Airbnb as Ideal Honeymoon Villa and Endless Honeymoon Villa, earning exceptional guest reviews and Guest Favorite recognition. Each features an upper-level bedroom with en suite bathroom, contemporary kitchen, open-plan living and dining areas, private plunge pool, and rooftop terrace with hot tub and elevated views toward Grace Bay. These thoughtfully designed residences deliver the privacy, comfort, and amenities that today's luxury vacation rental guests increasingly seek. A third independent villa of approximately 1,044 square feet includes a bedroom, living accommodation, and ground-floor garage. Currently utilized as an owner's residence, it provides flexibility for personal use, on-site management, or potential additional rental income. The property benefits from attractive tropical landscaping, low-maintenance outdoor spaces, contemporary finishes, and solar installations that help offset operating costs. Its proximity to Grace Bay Beach, Coco Bistro, and the island's principal tourism attractions further enhances its appeal to vacationing couples and honeymooners. Whether seeking a dedicated income-producing investment, a private island retreat with rental income, or a combination of both, Honeymoon Villas offers an exceptional balance of lifestyle, location, and proven performance. Detailed rental history, operating financials, and investment information are available to qualified purchasers upon request.
